The Usher Schedule above runs through September 30, 2012. Ushers, please check your schedule and mark on your calendar the months you are to serve and call a substitute or another usher if you are unable to usher on a given Sunday. Usher Captains, please contact your usher team (their phone numbers are listed following their names) and remind them prior to the month they are to serve. Captains, some of you have been assigned to usher on Holy Days and Special Days; that schedule is on the back of this page. If you cannot serve as an Usher Captain for these special times, please find someone to replace you.

Please read the "Important Data" on the back of this sheet. Remember that you are more than an usher, you are also a minister of hospitality. Please extend a warm welcome to all who enter our church! Your "hello" and presence may mean a lot in another person's life at that moment, especially if that person may be new to our parish or a visitor to St. Clement's. I can honestly say from experience, that you make the first impression to any new faces that come through our doors. Let's make that as warm and welcoming as possible.

Thank you so much for your cooperation in ministering to the people of our parish, as well to those who are worshipping with us from out of town! You do a great job in helping each Mass go smoothly.

IMPORTANT DATA TO FOLLOW

- Please be at church **about 15 minutes** before Mass begins
- Report to your captain
- Greet people as they arrive.
- Keep inside wooden doors closed. It keeps out noise, not to mention heat and cold.
- Once Mass begins, please go inside the church and participate in the Mass.
- At Offertory, take up the collection. If there are no Gift Bearers, please bring up to the altar the bread, wine, rose and the collection. Put the collection in front of the altar.
- **After Mass, put the collection in the safe in the sacristy.**
- Also, pick up hymnals, put up kneelers and turn out lights. Lights should stay on after the 8:30 Mass on Sundays, however.
- Dress Attire: Please **dress appropriately** for the ministry you are doing.
- **When a weekend splits between two different months**, ie. June 30th is on a Saturday and July 1st is Sunday, the June usher team should do the Saturday Mass and the July teams the Sunday Masses. So basically, just follow the monthly calendar.
- **ENCOURAGE OTHERS TO JOIN YOU IN THIS IMPORTANT MINISTRY.**
- **THANK YOU FOR SERVING OUR PARISH IN ALL THAT YOU DO!!!!!!!**
